

Moving With The Lamb

Sibusiso Ntsala

Verse

well I'm moving with the Lamb
Moving with the Lamb I'm surrounded
I'm moving with the Lamb
Moving with the Lamb I'm surrounded
Now I'm strolling with the Lamb
I'm strolling with the King of Kings
And I'm stepping with the Lamb
Stepping over my sins

Chorus

For I'm dressed in a holy robe of God
I'm surrounded
By the Host from Heaven's court
And the king of Kings
And I drink from the holy cup of God
I'm surrounded

Bridge

well I'm moving with the Lamb
I'm strolling with the Lamb
I'm stepping with the Lamb

Interlude
